Instructiuni de montare Pubela Premium 240 L

Assembly Instructions 240 L Premium Waste Bin

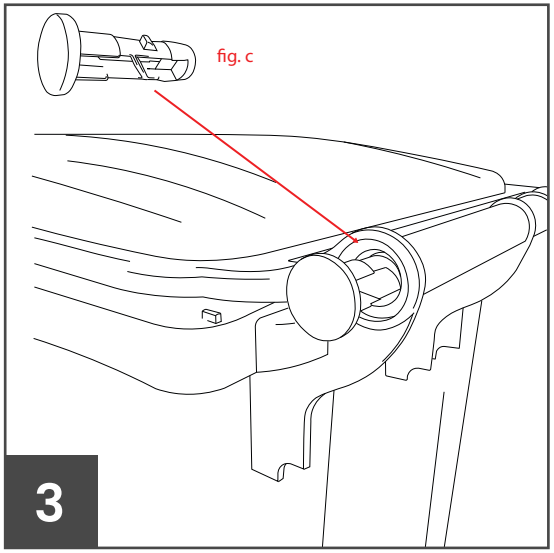

RO: Pregătește capacul de montare și poziționează-l pentru fixare sigură de mâner.

EN: Prepare the mounting lid and position it for secure attachment to the handle.

RO: După poziționare, asigură-te că, capacul este montat corect.

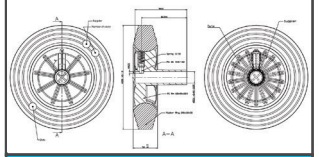

EN: After positioning, make sure the lid is properly mounted.

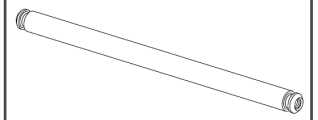

RO: Montează cele 2 capace de prindere (fig. c) cu clema în jos pentru fixarea capacului.

EN: Install the 2 fastening caps (fig. c) with the clip facing down to secure the lid.

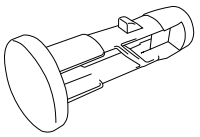

a. 2 buc. – roți
2 pcs – wheels

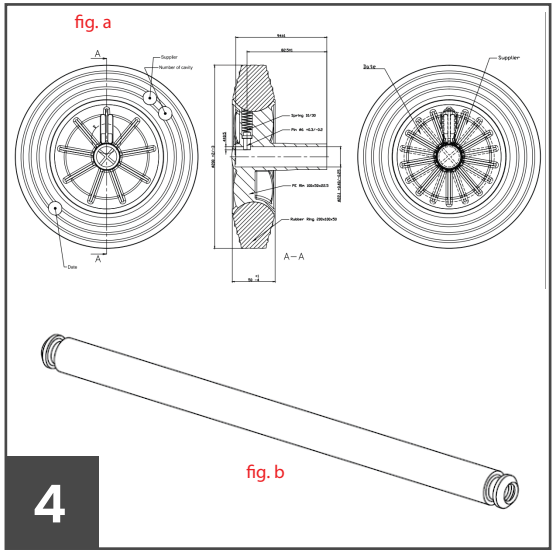

b. 1 buc. – tijă metalică
1 pc – metal rod

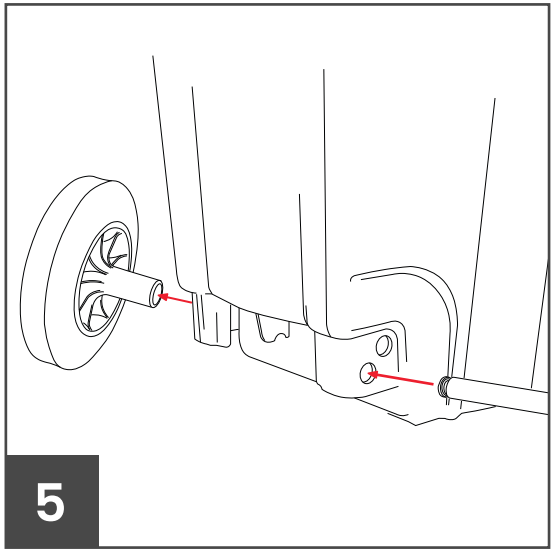

c. 2 buc. – capace de prindere
2 pcs – fastening caps

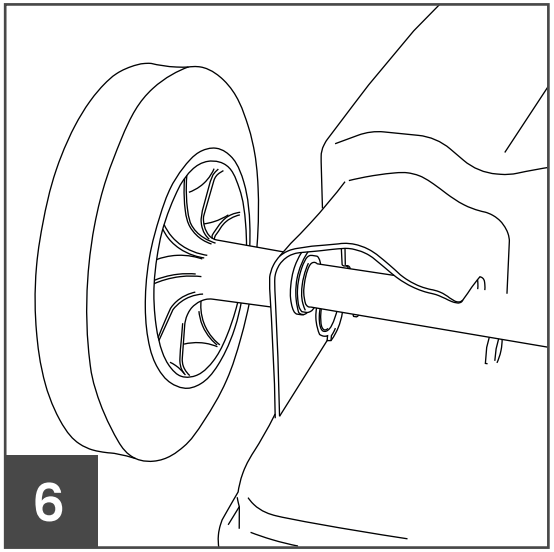

RO: Pregătește cele 2 roți (fig. a) și tija metalică (fig. b) pentru montarea pe pubelă.

EN: Prepare the 2 wheels (fig. a) and the metal rod (fig. b) for installation on the bin.

RO: Introdu tija metalică prin locașurile de la baza pubelei și montează roțile pe tija.

EN: Insert the metal rod through the slots at the base of the bin and attach the wheels to the rod.

RO: Asigură-te că tija este introdusă corect și fixată bine în roată.

EN: Make sure the rod is properly inserted and securely fixed into the wheel.
